

Podcast Rubric Sheet

Title:	
Category:	
Content Area:	
Audience:	
<p>Provide a brief description of the content of the podcast episode you listened to. Ensure that the following questions are answered in your description:</p> <ol style="list-style-type: none"> 1. Was the content appropriate for the intended audience? 2. Did it address the topic in a sequential and organized manner? 3. Did it capture and maintain your attention? 4. Did the podcast provide visual support materials such as pdf files, images, audio, URLs, etc? 5. Were the technical aspects of the podcast episode well done? (e.g., was the audio level consistent and of a high quality?) 	
<p>Please rate the podcast you listened to according to the following criteria:</p> <p>Excellent: The content thoroughly addressed the topic, captured and maintained my attention, used visual materials to support and enhanced the content of the podcast. The technical aspects, especially the audio, were consistent and of a high quality.</p> <p>Good: The content was appropriate but the delivery was not engaging enough to capture and maintain my attention. There were some technical issues.</p> <p>Poor: The content was poorly presented and consequently failed to capture and maintain my attention. Technical problems within the episode detracted from listening.</p>	
What features of the podcast you reviewed provide engaging educational learning opportunities for students?
